**Local Creative Artists Shifting the Landscape of Digital Media by Living for their Friday**

*The Friday Podcast Launches Season 2 Premiere & Season 2 Launch Party.*

*After a successful season one the team is back! Come celebrate with us!*

**Hampton, VA, 8.4.19** – The Friday Podcast will be premiering their second season on Oct. 4, 2019. Tune in on Apple iTunes & Spotify. Guess what? They are also having a Launch Party. They want you there. The Friday Podcast wants to continue to inspire, encourage and have fun with anyone who listens in. Let's celebrate and keep the positive energy going!

The Launch Party will be on Friday, Oct. 4, 2019 at County Grill & Smokehouse - Yorktown. The Friday Podcast will be there with J.J. Campos from Astro Entertainment rocking the mic and singing some karaoke. This event is a celebration of Season 2 but also The Friday Podcast wants people to have a good time and remember their passion filled slogan "Live for Your Friday". The Friday Podcast want to connect with people and bring people together. Are you ready? You can get FREE tickets to the event on Facebook or on Eventbrite.

"We love your energy! You guys are amazing! The fun and positive vibes you put out is what the world needs right now"

- **Nikki C., County Grill & Smokehouse - Yorktown Bartender**

"How you and your team creatively cover hip-hop, pop culture, and newsmakers with your unique, original observations reaching Generation X to Millennial listeners from the beltway to coast-to-coast is remarkable and worthy of the listener's time."

- **Al B., Stitcher Listener**

The Friday Podcast is a pop culture podcast covering everything from current events in music, tv, movies, theatre, wrestling, and even a little politics. Our mission is to bring weekend fun to your ears. We want to encourage the whole world to **#LiveForYourFriday**. The weekend is freedom. We believe you should live your life that way. No restraints. **#PositiveVibesOnly**
